

United States Mint Opens Sales for 2015 March of Dimes Special Silver Set on May 4

April 27, 2015

WASHINGTON — The United States Mint will begin accepting orders for the 2015 March of Dimes Special Silver Set (*product code DM5*) on May 4 at noon Eastern Daylight Time (EDT).

The set contains:

- One 2015 March of Dimes Proof Silver Dollar (W mint mark)
- One 2015 reverse proof silver dime – Philadelphia (P mint mark)
- One 2015 proof silver dime – West Point (W mint mark)
- Certificate of Authenticity with information about the March of Dimes

For the first time, the United States Mint will issue both a reverse proof silver dime from the United States Mint at Philadelphia and a proof silver dime from the United States Mint at West Point. These coins are only available in this special silver coin set commemorating the 75th anniversary of the March of Dimes.

All coins are encased in a plush black clamshell case with silver trim.

Orders will be limited to five units per household. The bureau will re-evaluate the order limit over the period this set is available for sale. Production of this set is limited to 75,000 units.

The 2015 March of Dimes Special Silver Set is priced at \$61.95. Orders will be accepted at the United States Mint's online catalog at <http://catalog.usmint.gov/coin-programs/commemorative-coins/> and at 1-800-USA-MINT (872-6468). Hearing- and speech-impaired customers with TTY equipment may order by calling 1-888-321-MINT (6468). Please visit the United States Mint website for information on shipping options: <http://www.catalog.usmint.gov/customer-service/shipping.html>.

Sales prices include a \$10 surcharge for each silver dollar sold, which is authorized to be paid to the March of Dimes Foundation to help finance research, education, and services aimed at improving the health of women, infants, and children.

About the United States Mint

The United States Mint was created by Congress in 1792 and became part of the Department of the Treasury in 1873. It is the Nation's sole manufacturer of legal tender coinage and is responsible for producing circulating coinage for the Nation to conduct its trade and commerce. The United States Mint also produces numismatic products, including proof, uncirculated, and commemorative coins; Congressional Gold Medals; and silver and gold bullion coins. The United States Mint's numismatic programs are self-sustaining and operate at no cost to taxpayers.

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date of May 4, 2015, at noon EDT, shall not be deemed accepted by the United States Mint and will not be honored.
